Dear Patient,

Thank you for scheduling a consultation with our office. We look forward to seeing you for your appointment with Dr. Pratt, Woodman, or Ehret. We are certain that you will find our physicians and professional staff dedicated to making your visit with us enjoyable.

We invite you to call if you need driving directions. In order to expedite the registration process, enclosed is our new patient registration form and health history form. **Please bring the completed forms with you to your appointment.**

Our billing office is able to submit your primary insurance and secondary insurance for services. Please bring your insurance card(s) so that we can be certain we are submitting your services to the correct insurance plan. **We request that co-pays and fees not covered by insurance be paid on the date of service.** If you have questions regarding your insurance coverage, please contact your insurance company directly. If your plan requires a referral for a specialist, please contact your primary care provider to be certain that your referral has been generated prior to your appointment. As the majority of insurance companies will not issue a referral after the consultation, it is your responsibility to be certain that you are meeting the requirements of your insurance plan. **If we do not have your referral on file, we may require that you pay for the services prior to your appointment.**

For your convenience, we accept Visa and MasterCard, as well as personal checks and cash. Financing is available for cosmetic surgeries or significant out-of-pocket expenses if necessary. Our staff will be able to assist you with further information in this area.

Again, thank you for scheduling your consultation with our office. We are looking forward to meeting you. Please call us should you have any questions prior to your appointment date.

With best regards,

The Physicians & Staff of
